Let us tell you the meny reasons why this is so: The location is the best; the approach is through Washington's finest residential section; the car service is perfect; each house can have water, lawer, gas, electric lights, and telephones. The roads are macadam—the sidewalks granolithic. Lots range from \$1.687.50 up, according to size and location. Houses costing in the aggregate over \$100,000, now building.
